Sarthak Gupta

Software Engineer 2

Results-driven Software Engineer with 3+ years of experience at Deloitte USI , specializing in full-stack web development. Over 2 years of hands-on experience in the MERN stack, including leading a frontend team of four developers and successfully migrating authentication systems from ADAL to MSAL . Currently working on Audit application development using Angular and .NET for the past 8 months. Strong grasp of software development principles and best practices, with a proven ability to adapt quickly to new frameworks and technologies.
